

MOBILE STAINLESS CLEAN ROOM CABINETS

CRSC-1 SERIES

Glass-door storage on locking casters, built for clean rooms and laboratories.

01 Pitched integrated top

Sheds dust and water, so nothing collects or pools.

02 Motion-activated LED lights

Safety lighting switches on automatically.

03 Optional door gasket

For sealed conditions or a full wash-down seal.

04 Dual-pane insulated glass doors

High-impact tempered glass, up to 5× stronger than typical glass.

05 T-handle compression latches

Pull doors tight to the frame, with a keyed lock.

06 Digital temperature reading

Built-in display, readable at a glance.

07 Three adjustable shelves

Additional shelves available as an option.

08 16-gauge construction

Heavy-gauge T-304 stainless steel body.

09 Lift-off stainless hinges

Doors lift off for thorough cleaning.

10 Full stainless steel casters

Non-marking polyurethane wheels with a total-lock top brake.

T-304

Stainless steel, NSF

16 GA

Body construction

72" / 84"

Overall height

32-48"

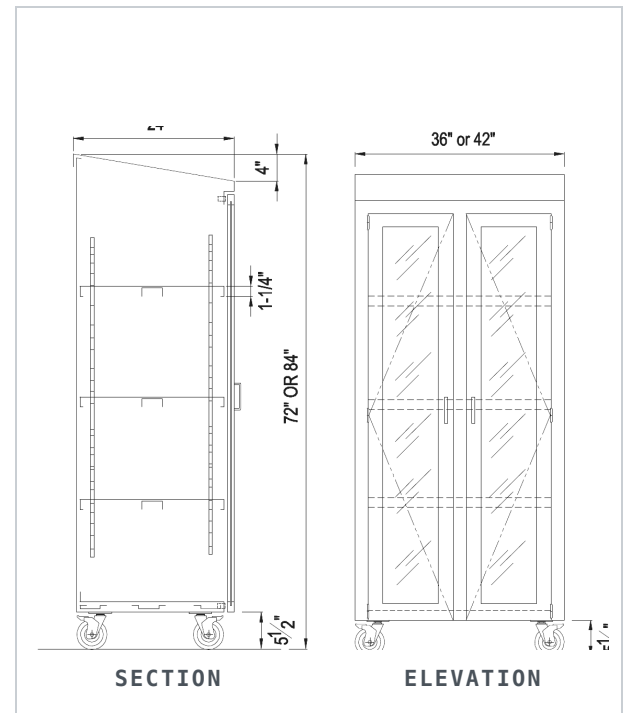

Wide × 24" deep
